SYNERGY
— EYE

Introduction

Security should be at the top of the priority list for anyone who cares about the safety of their workplace or family. To help keep your mind relaxed and to take care of all these worries, you may want to consider using high-tech devices that will make it easy for you to keep an eye on things from anywhere through your smartphone. Synergy Eye (SE) Mobile App is a mobile surveillance application that provides a complete, robust security system which aims at detecting any intruder inside the premises when no one is present. It gives you peace of mind and lets you maintain security even when it is empty.

Solution Features

1. Convenience
2. User friendly - easy to use
3. Light weight
4. Alarm push notifications (via email, call or SMS)
5. Person detection system
6. Live video streaming
7. Many more functionalities from the Synergy Platform can be used.

Objectives

1. Mitigate risks of crime and terrorism
2. Instant assistance and prevention
3. Attendance management system
4. Intruder detection
5. Automate process surveillance with live streaming
6. Law enforcement
7. Government and city safety
8. Construction site security
9. Parking lot security
10. Traffic and highways surveillance
11. Major events security

Outcomes

1. Improve public safety
2. Peace of mind
3. Protect assets
4. Prevent frauds
5. Improve efficiency
6. 24/7 assistance
